# GSP User Name and Password Registration
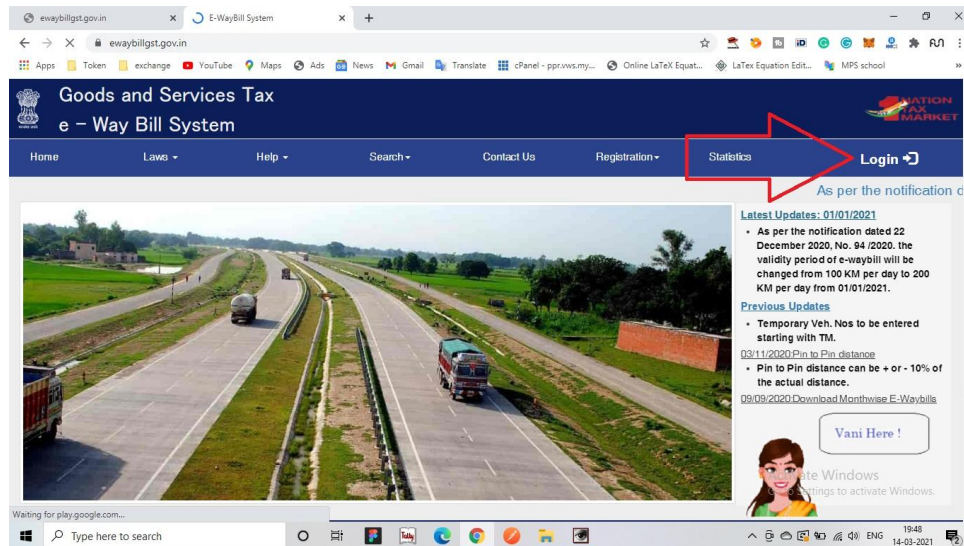

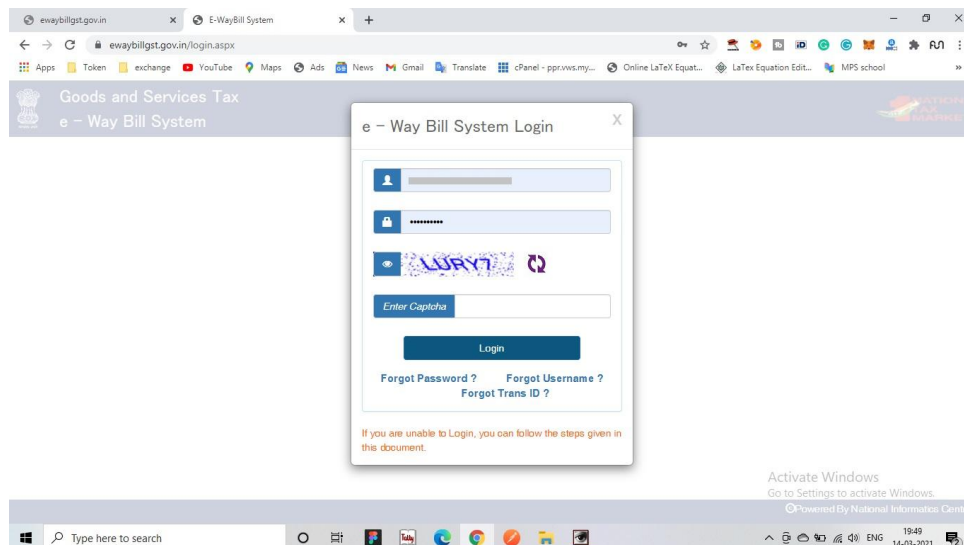

Process of the generation of GSP Username and password from the official E-way portal.
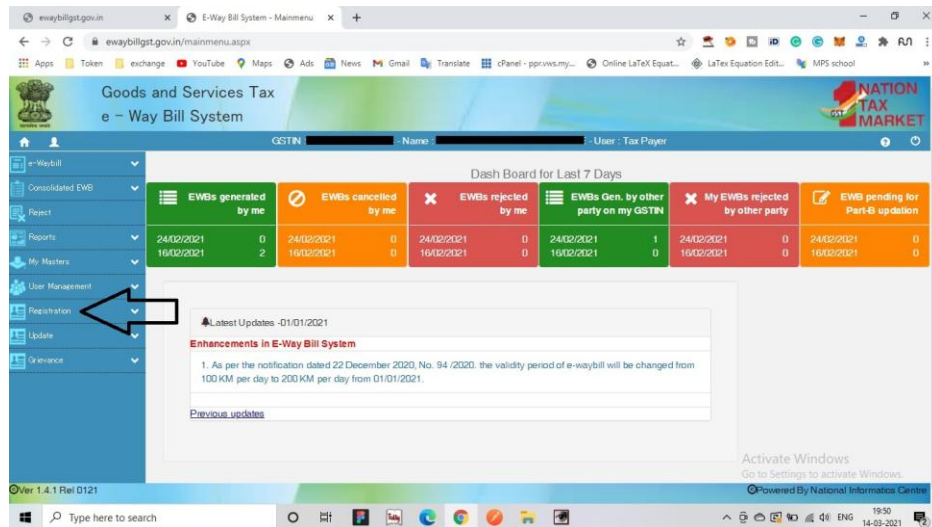

1. Open the website https://www.ewaybillgst.gov.in in any browser. And the click on Login Button. The Login page is opened.

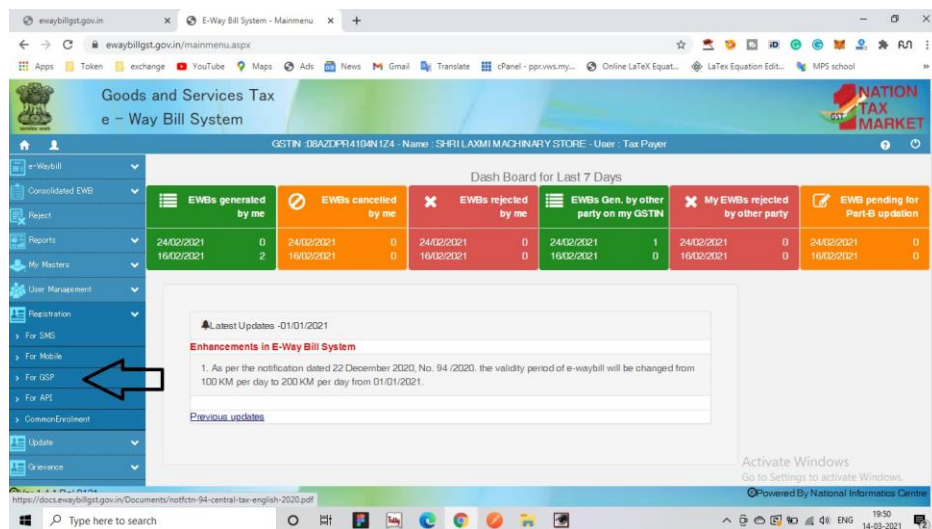

2. In Login page, enter username, password and captcha.

3. Click on the **Registration** in the left navigation bar.

4. Click on the **For GSP** button.

5. Verify your mobile No. through the OTP verification.

6. After Mobile No. is verified, The New Page will open and then Click On Add/New Button.

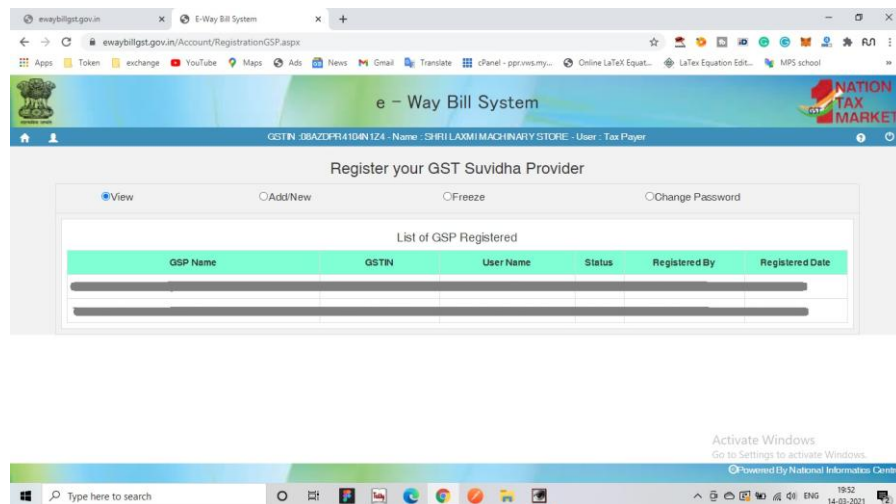

7. After Add/ New button, A new page will open. In GSP Name field, Select **Chartered Information Systems Private Limited** from drop down list. Then enter any suffix id (only 3 character) and password.

8. Hurrah! You GSP Username and password are officially Registered. Then put the Username and password in apps' Username and passoword field to Complete You profile.

Thank You for the Registration!
